Taking Steps 2007
Around the world at least 1 woman in every 3 has been beaten, coerced into sex, or otherwise abused in her lifetime and most often the abuser is her own family member. That woman is your sister, your co-worker, your mother, your aunt, your partner, your daughter, your grandmother or your friend! So "take steps" to "End the Silence … End the Violence" and walk with us this year because your support DOES make a difference!
